

Ten Ways to Make, Keep and Be a Friend

5th Grade

1. Respect your friends and their ideas
2. Care about your friends and their feelings
3. Don't tell secrets
4. Always be kind and honest
5. Cheer your friends up when they need it
6. Keep your promises
7. Don't show off or brag
8. If your friend is being bullied, help him or her out
9. Don't control or pressure your friends
10. If you haven't seen your friend in a while, then you should call them or write them to see how they are doing
