

Charlottes WEB

E.D. White

Yes I would recommend this book. It is a very good book.

This book is about a girl named Fern who wanted to keep a runt pig because her dad was going to kill it. A runt is the smallest in the litter and they usually don't live. Fern had to put Wilbur the pig in a different farm. There is a spider named Charlotte. She was Wilbur's friend. There is a rat named Templeton. Charlotte asked Templeton to go to the junkyard and find some kind of word to put on her web. So he came back. Wilbur was sleeping when Templeton got back. In the morning, Wilbur saw that the web had words on it. It said, "SOME PIG." It worked well and the web attracted many people. The rest of this book talks about is what happened at the fair and everything.
