

SKELETON KEY

BY ANTHONY HOROWITZ

ALEX RIDER IS A TEENAGE BOY WHO STARTS HIS LIFE BY GETTING TRAINED BY HIS UNCLE, NOT KNOWING THAT HIS UNCLE WAS TRYING TO PREPARE HIM FOR M16. AFTER A FEW YEARS, HE GOES ON A MISSION WITH TWO CIA AGENTS TO SKELTON KEY. DURING THE TIME GENERAL ALEXEI SAROV IS PLANNING TO BOMB A SHIPYARD NEAR MOSCOW BECAUSE THERE IS A GROUP OF SUNKEN SUBMARINES THAT CONTAIN THE WORLDS LARGEST AMOUNT OF OIL. WILL ALEX BE ABLE TO SAVE RUSSIA OR WILL GENERAL SAROV CONQUER THE REST OF THE WORLD?
